

Join Our Team of School Psychologists at the Sussex Consortium

Qualifications

- Eligible for Delaware certification as school psychologist
- NCSP status preferred
- Experience or practicum with persons with autism or severe disabilities preferred

Responsibilities

- As a member of a multidisciplinary team, school psychologists create and implement supports for individuals with autism and other developmental disabilities to develop academic, communication, socialization, and vocational skills – Classroom teams frequently collaborate and meet weekly to discuss progress and opportunities to enhance each student's success
- Provide direct services and complete evaluations for eligibility determination and educational planning
- Help to identify, collect, and review data using ABA model and the Pyramid Approach to Education
- Meet biweekly with fellow school psychologists to share case studies, ask questions, and collaborate as a department
- Be a part of a nationally recognized program that has contributed to the development of innovative techniques used worldwide, including the Picture Exchange Communication System (PECS)

We provide comprehensive support to our students

- We serve students from birth to 21 years of age, within center-based and integrated settings
- We have a highly successful program of vocational training and community based teaching
- We also provide respite services to students and their families

Opportunities

- Excellent medical and other benefits through the state of Delaware
- Caseload range of 24 to 48 students
- Experienced personnel provide a mentoring program for all new colleagues
- Attendance at Regional and National conferences
- 10-month contract with optional additional employment during summer months (earn up to 20% of salary)

We are located in Coastal Delaware

Southern Delaware is known for its small, pastoral towns, sand, surf, and limitless family fun. Throughout the year, you can look forward to days filled with beaches, boating, golf, trips to the spa, and bargain hunting at tax-free outlet stores, boutiques, and antique shops. Delaware has everything from NCAA college football to minor league baseball. If you're the gambling type, we offer slots and three horse racing facilities! Ocean, bays, forests, rivers, parks, and campgrounds provide the ideal setting for some of the state's best outdoor adventures. The location offers easy access to the vibrant cultures of Philadelphia, Baltimore, Washington D.C., and Atlantic City.
