

Charlotte-Mecklenburg Schools

Charlotte Mecklenburg Schools in Charlotte, NC is looking for School Psychologists! CMS school psychologists pride themselves on providing a comprehensive service delivery model and received the Excellence in School Psychological Services award from NASP. Currently, the majority of our psychologists serve 2 schools, and our current SP: Student ratio is 1:1500. Our school board and district leaders are committed to expanding student support services and each year have asked for additional School Psychologist positions. CMS school psychologists support students' learning, social development, and mental and behavioral health using problem-solving, assessment, data-based decision-making, and the delivery of evidence-based interventions. School psychologists collaborate and consult with educators, families, and other professionals to help create safe, healthy, and supportive learning environments for all students. School psychologists provide a comprehensive range of services as described in the current North Carolina Professional School Psychologist Standards. In addition, the Charlotte area is perfectly located in the Southwest region of the state and provides quick access to either the mountains or the beaches.
