

North Carolina Cyber Academy (NCCA), a virtual public charter school serving approximately 2500 students throughout the state of North Carolina, is currently seeking an experienced school psychologist for a remote position supporting grades K-5. NCCA follows the state salary schedule for school psychologists and provides a competitive supplement. Benefits, to include health and dental insurance, are available for full-time employees. To apply for this position you must reside in North Carolina. More information about the position can be found at <https://www.myncca.com/careers>. More information about NCCA's Student Support Team can be found [here](#).

For additional questions, contact Dr. Maggie Bush at mbush@myncca.com.
